VOLUNTARY DONATIONS TO THE EUROPEAN FOUNDATION OF THE RAHN DITTRICH GROUP FOR EDUCATION AND CULTURE

Dear Sir or Madam,

As Rahn Education, a non-profit school and daycare provider, we have made education our life work, which is why the foundation's board of directors is confidently reaching out to you today! Our foundation is dedicated to promoting education and training, supporting art and culture, and fostering cosmopolitanism and tolerance in society.

The topic of education begins with very young children in nursery and continues throughout our lives. Thanks to the diverse concepts implemented in our daycare centers and after-school care facilities, our educators, music, sports, and art teachers are able to provide children with early support from a young age and accompany them until they start school.

In today's fast-paced world, it is our job as a company to retain our employees through targeted support, creative working environments, and attractive working conditions, thereby keeping staff turnover in our daycare centers and after-school care facilities to a minimum.

Our educators in daycare centers and after-school care centers in all federal states are remunerated in close accordance with the collective agreements for the public sector in the federal states. To be able to offer our employees a special payment twice a year, Rahn Education, gemeinnützige Schulgesellschaft mbH, would like to encourage you as parents to make a donation to the European Foundation of the Rahn Dittrich Group for Education and Culture.

The donation is intended exclusively for the daycare center/after-school care center that your own children attend. Every euro that reaches the foundation in this way goes directly to the teachers and would thus make an important contribution to making these special payments possible. We would be delighted if you would help support the daycare centers and after-school care centers of Rahn Education!

Twice a year, the amount of donations received, and the distribution of donations are audited, and the audit results are published with figures in the Rahn Education newsletter "r-aktuell." Donations are paid out to the educators at the respective daycare centers and after-school care centers twice a year, on May 31 and November 30 of each year.

If you would like a consultation on this matter or require further information, please do not hesitate to contact our staff at +49 341 3939-4160 or at spendenaufuf@rdg-stiftung.eu.

Thank you very much.
