VOLUNTARY DONATIONS TO THE EUROPEAN FOUNDATION OF THE RAHN DITTRICH GROUP FOR EDUCATION AND CULTURE

Dear parents,

being present day and night, offering guidance, emotional support and often becoming trusted adults, role models, and even a second family, this is what distinguishes the dedicated Boarding House Mentors at Rahn Education.

In the boarding environment, our mentors do far more than supervise daily routines. They accompany students through their everyday lives, provide emotional stability, support them through challenges, celebrate their successes, and create a safe and caring home away from home. Their empathy, reliability, and commitment play a vital role in helping young people grow into confident, resilient, and well-balanced individuals.

Retaining such exceptional mentors in the long term is one of our highest priorities. As a non-profit education provider, Rahn Education reinvests its resources entirely into educational quality, student well-being, and the people who care for our students every day. While we strive to offer attractive working conditions and a positive team environment, we rely on additional support to further recognize and reward the dedication of our Boarding House Mentors.

We therefore kindly invite you to support our work by donating to the European Foundation of the Rahn Dittrich Group for Education and Culture. Your contribution serves as a meaningful financial thank-you to the Boarding House Mentors who care for your children with warmth, responsibility, and commitment.

All donations are location-based, meaning your contribution will directly benefit the Boarding House Mentors at Neuzelle. The donations and their distribution will be audited twice annually, and the results and statistics will be published in the Rahn Education newsletter "r-aktuell". Payments will be made on May 31 and November 30.

If you would like personal consultation or further information, please contact us by phone at +49 341 3939-4160 or via email at spendenaufuf@rdg-stiftung.eu.
